

Inspire and Enable Our Youth, Our Community.

November 5th, 2020

Dear FFY Families,

This letter is to inform you that Foundation For Youth has received notification that an individual in our FFY community tested positive for COVID-19. The last day the individual was present at Foundation For Youth was Friday, October 30th.

Following our COVID protocols, we have contacted the Indiana State Department of Health (ISDH) for contact tracing and also informed the Bartholomew County Public Health Department and the Bartholomew County Schools to guide our next steps.

Under the guidance of these entities, we have directly contacted those individuals determined to have been in close contact (within 6 feet for 15 minutes or more) with the positive individual here at the facility. Those "close contacts" have been instructed to quarantine for 14 days. If these individuals were to develop symptoms during their quarantine, they are required to extend isolation by 10 days from the date symptoms appeared.

If your family was not contacted directly you are not required to quarantine and may continue to attend FFY afterschool. We will be deep cleaning and sanitizing tomorrow morning 11/6 and open for afterschool. Other Athletics, Aquatics, and Big Brothers, Big Sisters programs will continue as scheduled.

We at Foundation For Youth will continue to take precautions to keep the safety of our youth at the forefront. Please remind your children about the importance of wearing masks, handwashing/sanitizing, and social distancing. We are thankful to all of our families who continue using caution during their daily symptom screening and choosing to keep youth home when appropriate. We appreciate the support of the Columbus Community and ask for continued support for the safety of all and an end to this pandemic.

If you have concerns or need further guidance please feel to contact myself or our Associate Director, Andrew Young (317)224-6210, Andy@foundationforyouth.com.

Sincerely,

Chuck Kime

Executive Director
