2023 #FFYTEENS SUMMER

May 24-August 2, 2023

Join us for a Summer
of fun experiences!

Grades 7-12

'23-'24 School Year

Field trips are included as part of the weekly program, thanks to local sponsors and fundraising efforts. Some trips may require additional fees. The end of the summer trip will cost extra. Teens will have opportunities for community service to shed off some of the cost.

Safety is #1

We abide by BGCA's guidelines for safety while at FFY & CYC which include the following :

Staff are able to be recognized easily by wearing BGCA/FFY attire along with a visible name tag. We strive for a ratio of 1:15 or less within our organized activities and 1:20 for large group playtime. we utilize BGCA's bathroom guidelines. The prohibition of one-on-one contact.

All staff must be fully trained and above 18 before conducting an activity without supporting staff and 21 to transport members in FFY vehicles.

Teen Room

The Teen Room is a place for Teens to come and be themselves. There is no room for judgment in the Teen Room.

We allow cell phones, video games (Rated Teen and Under), and personal items to allow the teens to be themselves. The only person responsible for their items is themselves. We keep the Teen Room exclusive for the teens and away from the rest of the members so that the Teens can have a sense of their own space.

Community Service & Fundraising

Each summer as a group (staff & teens) we work on fundraising to cover the expenses of the field trips . We do this by holding car washes or planning "dine to donate" events.

We are always open to new ideas and looking for new relationships to support these efforts. If any of our families have ideas please send those to our Teen Director.

Meals

Breakfast, Lunch, and snacks will be provided daily, even on trips. Teens can bring their own and, on trips, purchase their own food with their own money.
