MEMBER/PARENT EXPECTATIONS

Member Expectations: Foundation For Youth is a positive place to be a kid. In order to grow and develop, children need to be in a safe environment with firm, consistent, and positive expectations. This safe environment also needs to provide warmth and support for appropriate behaviors. We understand that incidents may occur, but our goal is to learn from our mistakes and not repeat negative behaviors.

Our four categories of expectations for members at Foundation For Youth:

1. **Respect Staff**
2. **Respect Members**
3. **Respect Facility**
4. **No Physical threat/violence/bullying**

To inspire positive actions, we have developed steps for when incidents or situations occur. Positive adult relationships with staff, accountability, and consequences are proven to be essential components for the growth and maturing of today's youth.

Consequences of not meeting Member Expectations:

1. Side conversations and reminders are given to member(s).
2. Written parent note with incident details.
3. Written strike(s) for repeat incidents. With every strike comes a consequence i.e. cleaning duty, educational worksheets, writing sentences, written apology, loss of activity privileges, etc.
4. 3-strikes within a 2-week period may result in an automatic 3-day suspension.

As always, difficult decisions are at the discretion of FFY staff members.

Parent Expectations: We request communication from our parents with questions, comments, praises and concerns. We work diligently to create an open environment for staff and parents to communicate. We do hold our parents and ourselves to expectations so we can create the appropriate and positive environment for our youth.

- We encourage clear and positive communication.
- For quick communication, please download the "Remind" app. Details highlighted in yellow below.
- Please keep your information current - address, phone number, approved pick-up, etc.
- Please keep your attire appropriate for all ages - no revealing clothes, inappropriate messages, etc.
- If you have a concern with other member(s), please communicate through a staff. Never confront another member, for everyone's safety.
- We encourage our families to communicate with one another in a positive, non confrontational manner.
- Trust that staff members are making fair and appropriate decisions for all members and families.
- For various reasons, other members/parents information, names or consequences will not be shared with other families.
- Pre-registration is required PRIOR to your child attending.
- Our staff are not permitted to engage parents or members on social networking sites such as Facebook, Instagram, Snapchat, etc.
- Please notify club desk of other adults who may be picking up your member(s).

BGCA Bathroom Policy: We abide by BGCA's bathroom policy with designated areas for our staff/adults separate from our member bathrooms.

Jr. Staff or Counselors in Training: Staff in high school or younger are considered Jr. Staff, they are not permitted to run a program area without the supervision of someone 18 or older. For more specifics, reach out to the Boys & Girls Club Director.

Dress Code: Beginning 5/24/2023, Staff will be identifiable with an FFY-approved shirt and a staff name tag. Volunteers will be identified by their lanyards and name badges of a different color than staff.

PROGRAMMING:

Indiana Kids: This will involve a 3-minute pre-test for both Math and Reading for members of 1st grade and higher. Once their tests are completed, we will begin logging the educational activities they attend while at the Club. Toward the end of the school year/summer, your member(s) will be post-tested, and we will measure their growth in Math and Reading. We will also bring in guest speakers to speak about Careers and track Volunteer hours both inside and outside of the Club!

Peer-to-Peer mentioning will match just 15 members with our high school-age Jr. Staff to have weekly check-in and activities. Their growth as an individual is tracked, but mostly they get a close buddy to talk with and build a positive relationship.

Youth for Unity: is an enrichment program to help members build character, acceptance, and other quality traits. We are starting this program with the addition of other activities. All members will take part in activities to grow as a group and become more compassionate to others.

SMART MOVES is a program that is offered to all members. We will be working on conflict resolution skills, a sense of belonging, and other communication tools.

Passports to Manhood and SMART Girls is an optional signup program offered to members aged 8+. SMART Girls is a small-group health, fitness, prevention/education, and self-esteem enhancement program for girls. Passport to Manhood is a small-group health, fitness, prevention/education, and self-esteem enhancement program for boys.

Ultimate Journey: is a STEM program designed to engage 4th-8th grade youth (9 to 13-year-olds) in fun, experiential, environmental education activities. Ultimate Journey cultivates awareness and appreciation of the natural wonders that surround young people. This program will be led by Columbus Youth Camp staff both in the Club and at Camp.

Jr. Librarian: members who would like to help care for our satellite Bartholomew County Public Library collection will have the opportunity to be trained and mentored by BCPL Librarian. They will have the opportunity to work with BCPL to curate our collection.

Jr. Staff: Members ages 14 to 18 are given the opportunity to be employed in our Boys & Girls Club. Young people prepare for future roles as human services professionals by participating in career development activities, discovering the importance of community service, and building customer service skills. The program develops Club members' interpersonal skills, work ethic, and sense of community responsibility.
